To a prospective student

MS in Global Business and Forensic Accounting

Global Business is strongly connected
with accounting basics. Forensic
accountants help investigate
complicated financial crimes and
conflicts. As a forensic accountant,
you could pursue a rewarding,
meaningful profession.

Master in Global Business and Forensic Accounting

- ✓ 2 - year program
- ✓ English language courses
- ✓ Degree in Law and Economics

Why our program?

An increase in the number of businesses, changing financial laws and regulations, and increased scrutiny of company finances will spur the job growth of accountants and auditors. In response to market demand, these financial specialists will offer more financial management and consulting services as they take on a greater advisory role.

"We want to know you as an individual" – Anna Vysotskaya, PhD, Director of the Program

We don't evaluate your application based solely on your GPA and test scores. We take into consideration your background, experiences, and strengths demonstrated in the sum of your application materials.

Admission requirements

The Admissions Committee will review all of the application materials, while focusing on the academic credentials. We also consider the trends on the transcript and look favorably on those have challenged themselves with their curriculum choices.

Work paths and future careers

Our graduates will succeed in, but not limited to, Auditing, Compliance, Accountancy and Law

Among the Basic and Special Courses we offer: Performance Management, Contract law/Practical law/Case study, Forensic Accounting, Corporate and business law, Financial Accounting, IFRS, International Accounting
