

Vladimir Kosonogov
Senior lecturer

Academy of Psychology and Educational Sciences
Southern Federal University, Nagibina 13, Rostov-on-Don, 344038
Rostov-on-Don, Russia

+79525648787
vkosonogov@sfedu.ru

Research interests:

Psychophysiology of social behaviour and emotions
Mirror neurons, imitation
Behavioural therapy
Biofeedback training

Skills:

Electroencephalography and evoked potentials, electrocardiography, electromyography, skin conductance, reaction time, posturography, lie detection, biofeedback training, infrared thermography
Psychological tests (intellect, emotions, personality, etc.), psychometrical analysis
Statistics (STATISTICA, SPSS)
Optical microscope

Employment:

02.2017 – till now, Southern Federal University, Rostov-on-Don, Russia
Senior Lecturer at Department of Psychophysiology and Clinical Psychology

- *lectures and seminars* (psychophysiology);
- *research* (EEG, ECG, SCR, posturography);
- *science popularisation* (scientific fair, open days, jury of a school psychological competition);

05.2015 – 12.2015, University of Murcia, Spain

Investigator at School of Psychology

- *research* (EEG, ECG, SCR, posturography);
- *maintenance of equipment*

06.2010 – 02.2012, Southern Federal University, Rostov-on-Don, Russia

Assistant at Laboratory for psychophysiology

- *assistance to professors and students in practical courses and experiments* (EEG, ECG, SCR, lie detection, posturography, biofeedback training);
- *science popularisation* (scientific fair, open days, jury of a school psychological competition);
- *maintenance of equipment*

General education:

02.2012 – 12.2015, University of Murcia, Spain
Doctor in Neuroscience

09.2009 – 07.2011, Southern Federal University, Rostov-on-Don, Russia
Master in Psychophysiology (cum laude)

09.2005 – 07.2009, Southern Federal University, Rostov-on-Don, Russia
Bachelor in Psychology (cum laude)

**Supplementary
training:**

10.2014-11.2014, 02.2015-04.2015, University for Science and Technology
Lille I, Lille, France

Scientific stay for an experimental study with **infrared thermography**

06.2011, Medikom-MTD, Taganrog, Russia

Practical courses in **electroencephalography and evoked potentials** and
biofeedback training (EEG, ECG, EMG)

06.2011, Ritm, Taganrog, Russia

Practical course in **posturography**

09.2011 – 06.2012, Southern Federal University, Rostov-on-Don, Russia
Pedagogy for university professors

09.2010 – 01.2011, Autonomous University of Barcelona, Spain

Exchange program in **neuroscience**

09.2007 – 07.2009, Southern Federal University, Rostov-on-Don, Russia
Secretary-interpreter for Psychology (**English language**)
