

CURRICULUM VITAE

Alexander V. SOLDATOV

Born: Novorosiisk (Russia) 21 march 1955

Academic positions

- 2013-today Head of the Committee for Natural Sciences of Southern Federal University Council.
- 2011-today Chair in Physics of Nanosystems and Spectroscopy Southern Federal University of Russia
- 1999-2011 Full Professor at Faculty of Physics, Southern Federal university of Russia
- 1983-1998 Associate Professor at Faculty of Physics, Rostov University of Russia

Education and Degrees

- 1997 Full Doctor Degree (Habilitation) in Physics, Rostov State University (Russia)
- 1982 **Ph.D.** in Physics, Rostov State University (Russia)
- 1977 Graduated from Rostov State University (Russia)

Research activity

- 2014-today Head of the International Research Center “Smart Materials” “at Southern Federal University of Russia
- 2000-2014 Head of the Laboratory for x-ray spectroscopy, Rostov State University (Russia)
- 1999, 2003 Senior Researcher at Western Ontario University (Canada)
- 1994, 1996, 1999 Visiting Professor at Rome University «La Sapienza» (Italy)
- 1988-1989 Post.Doc at Rome University «La Sapienza» (Italy)
- 1980-2000 Researcher in Laboratory x-ray spectroscopy, Rostov State University (Russia).

Professional Service

- 2012-today Head of Expert Council in Physics at Southern Federal university of Russia.
- 2007-today Member of Editorial board for Journal of Structural Chemistry (Russian Academy of Science).
- 2009—today Member of Editorial board for XAS Research review.
- 20010-today Member of Executive Committee of Crystallographic Society of Russia.
- 1998-today Referee for: *Phys. Rev. Lett.*, *Phys. Rev B*, *PhysChemChemPhys*, *Chem. Phys.*, *Phys. Chem.*

Honor awards

- 2001 Soros Full Professor Honor of International Science Education Foundation (N.Y.)
- 1995, 1996, 1997, 1998, 1999 Soros Associate Professor Honor of International Science Education Foundation (N.Y.)
- 2000 Diploma of Ministry of Education of Russia
- 2012 Medal of Rostov Region Administration for excellence in science and education.

Address: Southern Federal University, 5 Sorge str., Rostov-na-Donu, 344090 Russia.

Phone. lab: +7- 863-2975326, office : +7-863-2975128, FAX :+7-863-2901003

E-mail: soldatov@sfedu.ru <http://nano.sfedu.ru>

Scientific publications in referred journals

Published **2** monographs, two chapters and **252** papers in refereed journals:

Supervising of Ph.D. students :

Received PhD **15**

Under supervision now **5**

Consulting Habilitation Degree

Received ; **1**

Under supervision now **3**

Attracting of external funding

International grants

1993-2015 Totally 23 grants of different International funding institutions

Russian national grants

1988-2015 Totally 54 grants of different Russian funding institutions
