I was born February 17, 1980 in Novorossiysk, Krasnodar Territory. I graduated from secondary school №19 with distinction (a silver medal) in 1997.

In 2003 graduated from the Taganrog Radio Engineering University named after V.D. Kalmykov with the specialty "Control and computer science in technical systems".

From 2003 to 2008 worked as an assistant of the Department of Automatic Control Systems.

Since 2008 I is a senior lecturer of the department.

Since 2009 I is an applicant of the department to the speciality 05.13.17 "Theoretical foundations of computer science."

Computer skills: MS Office (Excel, Word, Power Point, Visio), MatLab.
